

## FY 2012 Annual Freedom of Information Act Report of the Legal Services Corporation

The Legal Services Corporation (“LSC” or “Corporation”) was established as a private, non-membership, non-profit corporation by the Legal Services Corporation Act, Pub. L. 93-355 (1974), as amended, 42 U.S.C. § 2996 *et seq.* Section 2996(g) of Title 42 provides that the Corporation is subject to the requirements of the Freedom of Information Act (“FOIA”), 5 U.S.C. § 552. This report is submitted pursuant to the FOIA and relates to the Corporation’s FOIA activities for the period from October 1, 2011 through September 30, 2012.

The Congress of the United States, in the declaration of purpose of the Legal Services Corporation Act, found that "there is a need to provide equal access to the system of justice in our Nation for individuals who seek redress of grievances," that "there is a need to provide high quality legal assistance to those who would be otherwise unable to afford adequate legal counsel," [...and that] "providing legal assistance to those who face an economic barrier to adequate legal counsel will serve best the ends of justice and assist in improving opportunities for low-income persons." In keeping with these congressional findings LSC’s mission is:

**To promote equal access to justice in our Nation and to provide high quality civil legal assistance to low-income persons.**

## II. MAKING A FOIA REQUEST

LSC's FOIA Handbook provides a brief overview of the history and purpose of FOIA, and explains how to submit a FOIA request for LSC records.

The handbook may be found at <http://www.lsc.gov/foia/handbook>.

1. Following are the LSC offices to which FOIA requests may be submitted.
  - a. **Office of Legal Affairs**  
Legal Services Corporation  
3333 K Street, N.W.  
Washington, DC 20007-522  
Telephone: (202) 295-1500  
[FOIA@lsc.gov](mailto:FOIA@lsc.gov)
  - b. **Office of Inspector General**  
Legal Services Corporation  
3333 K Street, N.W.  
Washington, DC 20007-522  
Telephone: (202) 295-1500  
[FOIA@oig.lsc.gov](mailto:FOIA@oig.lsc.gov)
2. Some requests are denied in whole or in part because the material requested is either statutorily exempt from disclosure or the records requested are not in the possession of the Corporation. For example:
  - an individual's personal telephone number, personal electronic mail address and residential address would be withheld pursuant to Exemption 6, which protects from disclosure information the release of which would result in the unwarranted invasion of personal privacy. Similarly, personal records of a type that would normally be maintained in an employee's personnel or medical file would be withheld pursuant to the protection afforded by Exemption 6; and

- Records in the Corporation’s possession related to an investigation of an LSC-funded grantee by LSC’s Office of Inspector General may be withheld pursuant to Exemption 7(a), which protects information compiled for law enforcement purposes, the release of which could reasonably be expected to interfere with enforcement proceedings, due to an ongoing investigation and/or enforcement proceedings.

### III. ACRONYMS, DEFINITIONS, AND EXEMPTIONS

1. **LSC or Corporation** – refers to the Legal Services Corporation.
2. Definitions of terms used in this Report:
  - a. **Administrative Appeal** – a request to a federal agency asking that it review at a higher administrative level a FOIA determination made by the agency at the initial request level.
  - b. **Average Number** – the number obtained by dividing the sum of a group of numbers by the quantity of numbers in the group. For example, of 3, 7, and 14, the average number is 8.
  - c. **Backlog** – the number of requests or administrative appeals that are pending at the end of the fiscal year that are beyond the statutory time period for a response.
  - d. **Component** – The FOIA requires that agencies include in their Annual FOIA Report data for both the agency overall and for each principal component of the agency. In the case of LSC, there are two components that process FOIA requests: the Office of Inspector General (“OIG”) processes requests for records exclusively in the possession and control of the OIG, and, the Office of Legal Affairs (“OLA”) processes all other requests for LSC.
  - e. **Consultation** – the procedure whereby LSC first forwards a record to another agency for its review because that other agency has an interest in the document. Once the agency in receipt of the consultation finishes its review of the record, it responds back to LSC, which then responds to the FOIA requester.

- f. **Exemption 3 Statute** – a federal statute that exempts information from disclosure and which LSC relies on to withhold information under subsection (b)(3) of the FOIA.
- g. **FOIA Request** – a FOIA request is generally a request for copies of records concerning the requester (i.e., “first party” requests), another person (i.e., a “third-party” request), an organization, or a particular topic of interest.

A FOIA request includes records referred to LSC for processing and direct response to the requester. It does not, however, include records for which LSC has received a consultation from another agency. (Consultations are reported separately in Section XII of this Report.) FOIA requests received by LSC are included in this Report.

- h. **Full Grant** – an agency decision to disclose all records in full in response to a FOIA request.
- i. **Full Denial** – an agency decision not to release *any* records in response to a FOIA request because the records are exempt in their entirety under one or more of the FOIA exemptions, or because of a procedural reason, such as when no records exist or could be located.
- j. **Median Number** – the middle, not average number. For example, of 3, 7, and 14, the median number is 7.
- k. **Multi-Track Processing** – a system in which simple requests requiring relatively minimal review are placed in one processing track and more voluminous and complex requests are placed in one or more other tracks. Requests granted expedited processing are placed in yet another track. Requests in each track are processed on a first in/first out basis.
  - i. **Expedited Processing** – LSC will process a FOIA request on an expedited basis when a requester satisfies the requirements for expedited processing as set forth in FOIA and at 45 C.F.R. Part 1602, the regulation that implements FOIA for LSC.

- ii. **Simple Request** – a FOIA request that LSC places in its fastest (non-expedited) track based on the low volume and/or simplicity of the records requested.
  - iii. **Complex Request** – a FOIA request that LSC places in a slower track based on the high volume and/or complexity of the records requested.
1. **Partial Grant/Partial Denial** – in response to a FOIA request, LSC’s decision to disclose portions of the records and to withhold other portions that are exempt under the FOIA, or to otherwise deny a portion of the request for a procedural reason.
    - m. **Pending Request or Pending Administrative Appeal** – a request or administrative appeal for which LSC has not taken final action in all respects.
    - n. **Perfected Request** – a request for records which reasonably describes such records and is made in accordance with published rules stating the time, place, fees (if any) and procedures to be followed.
    - o. **Processed Request or Processed Administrative Appeal** a request or administrative appeal for which LSC has taken final action in all respects.
    - p. **Range in Number of Days** – the lowest and highest number of days to process requests or administrative appeals.
    - q. **Time Limits** – the time period in the statute for an agency to respond to a FOIA request (ordinarily twenty working days from receipt of a perfected FOIA request).
  3. Concise descriptions of the nine FOIA exemptions:
    - a. **Exemption 1:** classified national defense and foreign relations information
    - b. **Exemption 2:** information that is related solely to the internal personnel rules and practices of an agency

- c. **Exemption 3:** information that is prohibited from disclosure by another federal law
- d. **Exemption 4:** trade secrets and other confidential business information
- e. **Exemption 5:** inter-agency or intra-agency communications that are protected by legal privileges
- f. **Exemption 6:** information involving matters of personal privacy
- g. **Exemption 7:** records or information compiled for law enforcement purposes, to the extent that the production of those records (A) could reasonably be expected to interfere with enforcement proceedings, (B) would deprive a person of a right to a fair trial or an impartial adjudication, (C) could reasonably be expected to constitute an unwarranted invasion of personal privacy, (D) could reasonably be expected to disclose the identity of a confidential source, (E) would disclose techniques and procedures for law enforcement investigations or prosecutions, or would disclose guidelines for law enforcement investigations or prosecutions, or (F) could reasonably be expected to endanger the life or physical safety of any individual
- h. **Exemption 8:** information relating to the supervision of financial institutions
- i. **Exemption 9:** geological information on wells

The request was held in pending status until the Corporation's competitive bid process was concluded and the resulting consulting agreement had been executed.
