The conferees are aware that the Legal Services Corporation has recently identified \$400,000 in prior year carryover funds. The conferees expect the Committees on Appropriations of the House and Senate to be notified prior to any further expenditure of these funds in accordance with section 605 of this Act. The conference agreement does not include language, proposed by the Senate, for payment of attorneys fees for a specific civil action.

The Legal Services Corporation historically has distributed funding for basic field programs (for all eligible clients) on an equal figure per poor person based on the 1990 census, with an exception that adjusts the formula for certain isolated states and territories. The conferees are encouraged that the Corporation has worked expeditiously to distribute funding on a competitive award basis, and urge the Corporation to continue implementation of the system that has been developed to continue providing grants to all eligible populations.

ADMINISTRATIVE PROVISIONS—LEGAL SERVICES CORPORATION

The conference agreement includes language proposed by the Senate under section 504 to provide an exception to the prohibition contained therein that would permit recipients of LSC grants to use funds derived from non-Federal sources to comment on public rulemakings or to respond to a written request for information or testimony from a governmental body, so long as the response is made only to the parties that make the request and the recipient does not arrange for the request to be made. The House bill contained no similar exception to the prohibition contained in the bill.

The conference agreement corrects a code citation in section 504(a)(10)(c), as proposed in the Senate bill. The House bill contained the code citation provided in the conference report on H.R. 2076.

The conference agreement includes language under section 508 to allow for the collection of attorneys fees for cases or matters pending prior to enactment of this Act. This provision does not allow the collection of attorneys fees for any new or additional claim or matter not initiated prior to enactment of this Act. Neither the House nor Senate bill contained a provision on this matter.

The conference agreement makes a modification to language included in section 508 in both the House and Senate bills to provide for a limited transition time for LSC grantees to dispose of pending cases and matters initiated prior to enactment of this Act, which would now be prohibited under this Act. The agreement provides LSC grantees until August 1, 1996 to dispose of all such cases.

The conference agreement contains modifications to language in section 509 proposed by the Senate related to the procedures by which LSC grantees are audited and the manner in which recipients contract with licensed independent certified public accountants for financial and compliance audits. Also included are modifications to language proposed by the Senate to clarify that only the Office of the Inspector General shall have oversight responsibility to ensure the quality and integrity of the financial and compliance audit process. Language is also included, as proposed by the Senate, to clarify the Corporation management's duties and responsibilities to resolve deficiencies and non-compliance reported by the Office of the Inspector General. Further, language is included, as proposed by the Senate, authorizing the Office of the Inspector General to conduct additional on-site monitoring, audits, and inspections necessary for programmatic, financial and compliance oversight. The House bill contained the provisions included in the conference report on H.R. 2076.

LEGAL SERVICES CORPORATION

PAYMENT TO THE LEGAL SERVICES CORPORATION

The conference agreement includes \$283,000,000 for payment to the Legal Services Corporation, instead of \$250,000,000 as proposed in the House bill, and \$300,000,000 as proposed in the Senate bill.

The conference agreement provides \$274,400,000 for grants to basic field programs and independent audits, \$7,100,000 for management and administration, and \$1,500,000 for the Office of the Inspector General.

ADMINISTRATIVE PROVISIONS—LEGAL SERVICES CORPORATION

The conference agreement contains language, included in both the House and Senate bills, continuing all statutory requirements and restrictions included in the fiscal year 1997 appropriations Act.

In addition, the conference agreement includes new provisions in section 501, as contained in the House bill, providing additional authority to the Corporation to terminate a grant award and institute a new grant competition if the existing grantee has been found to be in violation of statutory and regulatory requirements and restrictions. The Senate bill contained similar provisions. In addition, provisions are included in section 504, as contained in the House bill, to allow the Corporation to debar grantees from the competitive bid process in certain circumstances. The Senate bill contained similar provisions.

The conference agreement includes a provision, section 505, proposed in the House bill but not addressed in the Senate bill, requiring certain public disclosure reporting requirements related to litigation initiated by grantees of the Legal Services Corporation.

The conference agreement also includes a provision, section 506, proposed in the Senate bill but not addressed in the House bill, to ensure that income eligibility determinations in cases of domestic violence are made only on the basis of the assets and income of the individual. The conferees are aware that the current statute and regulations of the Legal Services Corporation already provide for such determinations to be made in all cases, including domestic violence. However, given concerns regarding access to the legal system for victims of domestic violence, the conferees have included this provision to provide greater clarity regarding this matter. However, the conferees do not intend to in any way preclude such eligibility determinations in other cases made in accordance with current regulations and statute.

The conference agreement makes several technical changes to correct statutory citations and other technical differences included in the House and Senate bills.

Payment To The Legal Services Corporation

The conference agreement includes \$305,000,000 for payment to the Legal Services Corporation, instead of \$300,000,000 as proposed in the Senate bill, and \$250,000,000 as proposed in the House bill.

The conference agreement provides \$289,000,000 for grants to basic field programs and independent audits, \$8,900,000 for management and administration, and \$2,100,000 for the Office of the Inspector General, as proposed by the Senate. The agreement also includes \$5,000,000 to provide technology grants to Legal Services Corporation grantees to be used to improve pro se clinic methods and acquire computerized systems that make basic legal information and court forms accessible to pro se litigants. These grants are made with the understanding, as stated in the Legal Services Corporation budget request, that the grantees make a commitment to include in their budgets for future years amounts sufficient to maintain and upgrade their equipment. The conferees note that \$28,000,000 is provided for civil legal assistance under the Violence Against Women Act program funded under title I of this bill.

The conferees expect that any unobligated balances remaining available at the end of the fiscal year may be reallocated among participating programs for technology enhancements and demonstration projects in succeeding fiscal years, subject to the reprogramming procedures in Section 605 of this Act.

The conferees have concerns about the case service reporting and associated data reports submitted annually by the Corporation's grantees and the case statistical reports submitted by the Corporation to the Congress, and the conferees direct the Corporation to make improvement of the accuracy of these submissions a top priority, per directions in the House report. The conferees also direct the Corporation to submit its 1999 annual case service reports and associated data reports to Congress no later than April 30, 2000. The Office of the Inspector General will assess the case service information provided by the grantees, and will report to the Committees no later than July 30, 2000, as to its accuracy, as described in the House report. The conference agreement also includes the two feasibility reports described in the House report, due no later than June 1, 2000. The conferees urge the Corporation to provide its annual case service reports by May 1 of each following fiscal year, as described in the House report. The conferees direct the Corporation to keep the Committees fully informed on its study of the issue of the statutory requirement that aliens be 'present in the United States', as described in the House report.

The conference agreement includes \$330,000,000 for the payment to the Legal Services Corporation, instead of \$300,000,000 as proposed in the Senate-reported amendment, and \$275,000,000 as proposed in the House bill. The conference agreement provides \$310,000,000 for grants to basic field programs and independent audits, \$10,800,000 for management and administration, \$2,200,000 for the Office of Inspector General, and \$7,000,000 for client self-help and information technology. The conference agreement also includes \$31,625,000 for civil legal assistance under the Violence Against Woman Act programs funded under Title I of this Act. In addition, according to LSC-released statistics, grantees received over \$605,000,000 of funding during 1999.

Within the amounts provided for management and administration, the Corporation is expected to hire at least seven investigators for the Compliance and Enforcement Division to investigate field grantees' compliance with the regulations grantees agreed to abide by when accepting Federal funding.

The conference agreement adopts by reference the House report language on class action suits and the Senate report language on travel.

ADMINISTRATIVE PROVISION—LEGAL SERVICES CORPORATION

The conference agreement includes language to continue the terms and conditions included under this section in the fiscal year 2000 Act, as proposed in both the House bill and the Senate-reported amendment.

Salaries and Expenses

The Committee recommendation provides \$141,000,000 for the Legal Services Corporation (the Corporation) for fiscal year 2001. This amount is a decrease of \$199,000,000 below the request, and \$164,000,000 below the amount provided in fiscal year 2000. This amount includes: (1) \$134,575,000 for grants to basic field programs; (2) \$5,300,000 for Corporation management and administration; and (3) \$1,125,000 for the Office of the Inspector General. The Committee notes that \$35,250,000 is provided for civil legal assistance under the Violence Against Women Act program funded under Title I of this bill.

The Committee is pleased with the efforts of the Corporation to improve the case reporting of its grantees. However, the Committee feels the Corporation can continue to work with its grantees to improve case reporting and lower the grantees' reporting error rate. The Committee is also interested in the efforts the Corporation has made in developing new performance measures that will allow both Congress and the Corporation to better evaluate the work of the grantees. These efforts include developing a 'cost-per-case' model and providing data on the level of non-case services provided such as community education, and services provided through self-help forms, kiosks or the internet. The Committee expects to be kept informed on the development of these measures.

The Committee also reminds the Corporation that its grantees are prohibited by section 504(a)(7) of P.L. 105—119 from participating in class action suits and directs the Corporation to ensure its grantees comply.

<i>Budget estimate, 2001</i>	<i>340,000,000</i>
<i>House allowance</i>	<i>275,000,000</i>
<i>Committee recommendation</i>	<i>300,000,000</i>

The Committee recommends an appropriation of \$300,000,000. This is \$40,000 less than the budget request. The Committee recommendation includes \$289,000,000 for basic field programs, to be used for competitively awarded grants and contracts, \$8,900,000 for management and administration, and \$2,100,000 for the Office of the Inspector General [OIG]. The Committee is aware that LSC released statistics stating its grantees received over \$605,000,000 in total funding during 1999.

The Committee is concerned by the amount spent on travel costs and on past Board of Directors' meetings held at four star hotels and resort spas which are not on the Federal Government's approved list. Federal funding is being provided for the program's core mission: to provide basic legal aid to poor individuals. With this in mind, the Committee recommends a less indulgent approach in these areas. Furthermore, from available funds, the Committee recommends five additional investigators for the Compliance and Enforcement Division to investigate field grantees' compliance with the limited regulations grantees agreed to abide by when accepting Federal taxpayer funding.

SALARIES AND EXPENSES

The Committee recommendation includes \$329,300,000 for the Legal Services Corporation for fiscal year 2002. This amount is the same as the request and \$26,000 above the current year appropriation. This amount includes: (1) \$310,000,000 for grants to basic field programs; (2) \$2,500,000 for the Office of Inspector General; (3) \$12,400,000 for Corporation management and administration; and (4) \$4,400,000 for client self-help and information technology. The Committee notes that \$40,000,000 is provided for civil legal assistance under the Violence Against Women Act program funded under Title I of this bill.

The Legal Services Corporation is a private, nonprofit corporation that provides low-income individuals with access to legal assistance and information concerning civil legal problems. Created in 1974, the Legal Services Corporation is charged by Congress to provide assistance to those who would otherwise be unable to afford adequate legal counsel.

The Committee supports LSC's efforts to streamline its service area configurations through the State planning process. However, the Committee has been made aware of concerns that LSC has attempted to impose its own reconfiguration plans on certain States without clearly articulating standards for such decisions. In several instances the Corporation rejected reconfiguration plans developed and approved by all relevant stakeholders within a State, and provided no opportunity for the State to appeal that decision. The Committee expects LSC to review the State planning process and the concerns raised, and report back to the Committee by no later than September 4, 2001, with a proposal that articulates the reconfiguration standards and process for States to appeal LSC's decisions. The Committee intends that LSC consult with appropriate stakeholders in developing this proposal.

The Committee reminds the Legal Services Corporation that its grantees are prohibited by section 504(a)(7) of Public Law 105 119 from participating in class action lawsuits and directs the Corporation to ensure its grantees comply.

ADMINISTRATIVE PROVISION—LEGAL SERVICES CORPORATION

The Committee recommendation includes bill language to continue statutory requirements and restrictions contained in previous Appropriations Acts, as requested. A legal correction is [page 128] recommended to reflect the recent Supreme Court ruling in the Legal Services Corporation v. Velazquez case.

LEGAL SERVICES CORPORATION

PAYMENT TO THE LEGAL SERVICES CORPORATION

The recommendation includes \$335,282,000 for the payment to the Legal Services Corporation. This amount is the same as the fiscal year 2004 level and \$5,982,000 above the request. This amount includes: (1) \$316,604,000 for grants to basic field programs and required independent audits; (2) \$2,573,000 for the Office of Inspector General; (3) \$13,160,000 for Corporation management and administration; and (4) \$2,945,000 for client self-help and information technology.

The Legal Services Corporation is a private, nonprofit corporation that provides low-income individuals with access to legal assistance and information concerning civil legal problems. Created in 1974, the Legal Services Corporation is charged by Congress to provide assistance to those who would otherwise be unable to afford adequate legal counsel.

The Committee notes that the Legal Services Corporation will carry forward into fiscal year 2005 balances remaining from prior year appropriations. The recommendation includes a provision to allow LSC to spend up to \$1,000,000 from such balances for a law school student loan repayment pilot program in fiscal year 2005. Not later than 30 days after enactment of this Act, the Corporation shall submit the following information to the Committee: guidelines and requirements for implementing a loan repayment program, the number of legal aid attorneys who will be able to receive student loan repayment based on the amounts made available, and the original sources of funds that will be re-allocated for a student loan repayment program. The Committee expects that this program will help to encourage more lawyers to pursue careers in legal aid.

ADMINISTRATIVE PROVISION

The Committee recommendation includes bill language to continue statutory requirements and restrictions contained in previous Appropriations Acts.

SCIENCE, STATE, JUSTICE, COMMERCE, AND RELATED AGENCIES APPROPRIATIONS BILL,
FISCAL YEAR 2006

June 10, 2005- Committed to the Committee of the Whole House on the State of the Union and ordered to be printed

Mr. WOLF, from the Committee on Appropriations, submitted the following
R E P O R T together with ADDITIONAL VIEWS

[To accompany H.R. 2862]

[149]

LEGAL SERVICES CORPORATION

PAYMENT TO THE LEGAL SERVICES CORPORATION

The recommendation includes \$330,803,000 for the payment to the Legal Services Corporation. This amount is the same as the fiscal year 2005 level and \$12,553,000 above the request. This amount includes: (1) \$313,683,000 for grants to basic field programs and required independent audits; (2) \$2,539,000 for the Office of Inspector General; (3) \$12,826,000 for Corporation management and administration; and (4) \$1,755,000 for client self-help and information technology.

The Legal Services Corporation is a private, nonprofit corporation that provides low-income individuals with access to legal assistance and information concerning civil legal problems. Created in 1974, the Legal Services Corporation is charged by Congress to provide assistance to those who would otherwise be unable to afford adequate legal counsel.

The recommendation does not include new funding for a loan repayment assistance program (LRAP), but the Committee encourages LSC to proceed with the planned pilot program. The Committee expects that the LRAP will help to encourage more attorneys to pursue careers in legal aid.

The Committee is concerned about LSC's rent payment for its current headquarters. The Committee expects LSC to reduce its rent payment by eliminating unnecessary office space and negotiating a more competitive cost per square foot.

ADMINISTRATIVE PROVISION—LEGAL SERVICES CORPORATION

The Committee recommendation includes bill language to continue similar statutory requirements and restrictions contained in previous Appropriations Acts.

Mr. SHELBY, from the Committee on Appropriations, submitted the following
REPORT [To accompany H.R. 2862]

LEGAL SERVICES CORPORATION

PAYMENT TO THE LEGAL SERVICES CORPORATION

Appropriations, 2005:	\$330,803,000
Budget estimate, 2006:	318,250,000
House allowance:	330,803,000
Committee recommendation:	324,527,000

The Committee recommends an appropriation of \$324,527,000. The recommendation is \$6,276,000 below the fiscal year 2005 funding level and \$6,277,000 above the budget request. The Committee recommendation assumes the requested offsets of \$400,000.

The Committee recommendation includes \$306,568,000 for basic field programs, to be used for competitively-awarded grants and contracts, \$12,588,000 for management and administration, \$1,232,000 for client self-help and information technology, \$2,764,000 for the Office of the Inspector General, and \$1,775,000 for grants to offset losses due to census adjustments.

ADMINISTRATIVE PROVISIONS

The Committee recommendation continues the administrative provisions contained in the fiscal year 1998 appropriations act (Public Law 105-119) regarding operation of this program to provide basic legal services to poor individuals and the restrictions on the use of Legal Services Corporation [LSC] funds.

Grantees must agree not to engage in litigation and related activities with respect to a variety of matters including: (1) redis-

[109]

tricting; (2) class action suits; (3) representation of illegal aliens; (4) political activities; (5) collection of attorney fees; (6) abortion; (7) prisoner litigation; (8) welfare reform; (9) representation of charged drug dealers during eviction proceedings; and (10) solicitation of clients. The exception to the restrictions in a case where there is imminent threat of physical harm to the client or prospective client remains in place.

The manner in which the LSC grantees are audited through contracts with certified public accountants for financial and compliance audits are continued, along with the provisions on recompetition and debarment.

111TH CONGRESS 1ST SESSION
 Conference Report 111-366
 HOUSE OF REPRESENTATIVES
 December 8, 2009

DEPARTMENTS OF TRANSPORTATION AND HOUSING AND URBAN DEVELOPMENT, AND
 RELATED AGENCIES APPROPRIATIONS ACT, 2010
 To accompany H.R. 3288

The committee of conference on the disagreeing votes of the two Houses on the amendment of the Senate to the bill (H.R. 3288), making appropriations for the Departments of Transportation and Housing and Urban Development, and related agencies for the fiscal year ending September 30, 2010, and for other purposes, having met, after full and free conference, have agreed to recommend and do recommend to their respective Houses as follows:

LEGAL SERVICES CORPORATION
 PAYMENT TO THE LEGAL SERVICES CORPORATION

The conference agreement provides \$420,000,000 for the Legal Services Corporation (LSC).

Accountability and oversight.—Over the past three years, GAO, the LSC Inspector General and the Audit Committee of the LSC Board of Directors have issued multiple findings of management and oversight weaknesses at the Corporation. LSC has made a public commitment to address each of these findings, and, as evidenced by recent GAO testimony, has made progress by implementing necessary corrective actions in a number of areas. However, as also evidenced by GAO’s testimony, additional work remains to complete the full list of recommended actions.

The conferees have been, and remain, concerned about these gaps in LSC’s management and accountability controls, which leave the Corporation vulnerable to improper expenditures or instances of waste by grantees. The timely resolution of these remaining issues must be a Corporation priority. Consequently, the conferees direct the Corporation’s President and Chairman of the Board of Directors to report jointly to the House and Senate Committees on Appropriations no later than February 1, 2010, to certify that the Corporation has met the requirements for management practices and policies, as well as governance standards and guidelines.

ADMINISTRATIVE PROVISION—LEGAL SERVICES CORPORATION

A general provision in Title V of the bill revises the administrative provision in order to permit grantees to pursue the recovery of attorney's fees when recovery is permitted or required under Federal or State law. The conferees believe that this action will level the playing field between legal aid attorneys and their counterparts in the private sector and provide a potentially crucial source of additional revenue to legal aid providers in a year in which State and private funding sources are decreasing.

 HOUSE OF REPRESENTATIVES

 HOUSE REPORT 111-149
 (June 12, 2009)

[Recommending \$440,000,000 and lifting the attorneys’ fees restriction.]

COMMERCE, JUSTICE, SCIENCE, AND RELATED AGENCIES APPROPRIATIONS BILL, 2010
 [To accompany H.R. 2847]

The Committee on Appropriations submits the following report in explanation of the accompanying bill making appropriations for Commerce, Justice, Science, and related agencies for the fiscal year ending September 30, 2010, and for other purposes.

LEGAL SERVICES CORPORATION
 PAYMENT TO THE LEGAL SERVICES CORPORATION

<i>Fiscal Year 2009 enacted</i>	\$390,000,000
<i>Fiscal Year 2010 request</i>	435,000,000
<i>Recommended in the bill</i>	440,000,000
<i>Bill compared with:</i>	
<i>Fiscal Year 2009 enacted</i>	+50,000,000
<i>Fiscal Year 2010 request</i>	+5,000,000

The Legal Services Corporation (LSC) is a private, non-profit corporation that provides free civil legal assistance, according to locally-determined priorities, to people living in poverty. For fiscal year 2010, the Committee recommends \$440,000,000, which is \$5,000,000 above the budget request.

Increasing financial impact.—Given the increasing demand for legal aid services and the contraction of non-federal legal aid funding sources, it is critical for LSC to identify every possible means to increase the impact of its Federally appropriated dollars. Obtaining more services at no or low cost through private attorney involvement would provide one such means, and the Committee encourages LSC to increase its efforts to do so. The Committee also encourages LSC to reevaluate its prioritization between basic field grants and Technology Initiative Grants (TIG). LSC has provided examples of how effective TIG implementation has increased efficiency, allowed grantees to serve a greater total number of clients and freed up attorney resources for use on the most complex cases. With these benefits in mind, the Committee hopes that LSC will consider more significant increases to the TIG program when making future funding requests.

ADMINISTRATIVE PROVISION—LEGAL SERVICES CORPORATION

A general provision in Title V of the bill revises the administrative provision in order to permit grantees to pursue the recovery of attorney's fees when recovery is permitted or required under Federal or State law. The Committee believes that this action will level the playing field between legal aid attorneys and their counterparts in the private sector and provide a potentially crucial source of additional revenue to legal aid providers in a year in which state and private funding sources are decreasing.

111TH CONGRESS
 SENATE
 1st Session
 SENATE REPORT 111-34 (June 25, 2009)
 [Recommending \$400,000,000 and lifting 1996 restrictions on non-federal funds
 except for restrictions on abortion and prisoners litigation.]

DEPARTMENTS OF COMMERCE AND JUSTICE, AND SCIENCE, AND RELATED AGENCIES
 APPROPRIATIONS BILL, 2010
 [To accompany H.R. 2847]

The Committee on Appropriations to which was referred the bill (H.R. 2847) making appropriations for the Departments of Commerce and Justice, and Science, and Related Agencies for the fiscal year ending September 30, 2010, and for other purposes, reports the same to the Senate with an amendment, and recommends that the bill, as amended, do pass.

LEGAL SERVICES CORPORATION
 PAYMENT TO THE LEGAL SERVICES CORPORATION

<i>Appropriations, 2009</i>	<i>\$390,000,000</i>
<i>Budget estimate, 2010</i>	<i>435,000,000</i>
<i>House allowance</i>	<i>440,000,000</i>
<i>Committee recommendation</i>	<i>400,000,000</i>

The Committee recommendation provides \$400,000,000 for payment to the Legal Services Corporation [LSC]. The recommendation is \$10,000,000 above the fiscal year 2009 enacted level and \$35,000,000 below the budget request.

The Committee recommendation provides \$374,600,000 for basic field programs, to be used for competitively awarded grants and contracts, \$17,000,000, for management and administration, \$3,400,000 for client self-help and information technology, \$4,000,000 for the Office of the Inspector General and \$1,000,000 is for loan repayment assistance.

ADMINISTRATIVE PROVISIONS

The Committee recommendation continues the administrative provisions contained in the fiscal year 1998 appropriations act (Public Law 105-119) regarding operation of this program to provide basic legal services to disadvantaged individuals and the restrictions on the use of LSC funds.

LSC funds cannot be used to engage in litigation and related activities with respect to a variety of matters including: (1) redistricting; (2) class action suits; (3) representation of illegal aliens; (4) political activities; (5) collection of attorney fees; (6) abortion; (7) prisoner litigation; (8) welfare reform; (9) representation of charged drug dealers during eviction proceedings; and (10) solicitation of clients. The exception to the restrictions occurs in a case where there is imminent threat of physical harm to the client or prospective client remains in place.

The manner in which the LSC grantees are audited through contracts with certified public accountants for financial and compliance audits are continued, along with the provisions on recompetition and debarment.

The Committee recognizes that the LSC current percentage locality pay represents reasonable compensation for LSC officers and employees. The Committee expects that any locality pay will continue to be paid at that percentage.
