Dear Ms. Mattie Cohan,  
RE: Comment on the "Restrictions on Legal Assistance to Aliens" published in the Federal Register/Vo. 72, No. 148, on Thursday, August 2, 2007

Many, many individuals and families from the Republic of the Marshall Islands have chosen Northwest Arkansas as their home (estimates range from 6,000 – 8,000). Through newspaper articles and face-to-face interaction, I have become aware of the many legal problems they face. Thank you for giving individuals from the Republic of the Marshall Islands legal services.

Sincerely,  
Dr. Grace Donoho
